At Pumpernickel's Catering, we are passionate about creating your perfect reception. Our mission is to help you create your vision.

Since we prepare our dishes from scratch, we have the ability to make certain that your menu is exactly what you want. We invite you to come in and sample different selections so that you are absolutely confident in your choices. We will leave nothing to chance.

We will assist you every step of the way. We have relationships with the areas finest DJ's, florists, photographers, and cake decorators, and can assist you, if necessary, in hiring the best vendors.

We are proud to be the exclusive caterer for the new Grand Event Center, as well as our own facility, The Athenian Ballroom.

The Athenian Ballroom sits atop the beautifully historic former Hotel Elkhart. Built in 1923, the Ballroom features a charming turn-of-the-century atmosphere. Our large walk-out balcony offers a unique view of the river and city. The Ballroom can accommodate up to 250 guests.

The Grand Event Center is the areas newest banquet facility. It features an open, modern ambiance, and can accommodate up to 350 guests.

We also specialize in catering off-premise events. Whether it is at a residence or other facility, we have the equipment and expert staff to handle your occasion flawlessly.
